Announcement: NSAC appoints Tamara Talevska as Executive Secretary.

Tamara has started working on the 4th of March 2019 and will be based in our new office location in Zoetermeer. Tamara will succeed Lorna Duguid, who has worked as Executive Secretary until the 1st December 2018 and the work will be handed over by Noor Visser who has acted as an Interim Secretary since November 2018. Noor and Tamara will work side by side until the end of April to ensure a proper handover of ongoing work.

About Tamara Talevska

Tamara, born and raised in Slovenia, did her Bachelor's in Human Resources Management and Master's in International Business. During her studies she did several internships directly or indirectly linked to the EU institutions, most relevant being the Permanent Representation of the Republic of Slovenia to the EU in Brussels, where she occasionally covered working party meetings on fisheries, and the European Parliament Information Office in Ljubljana, working in communications.

We hope we all will establish a good and fruitful working relationship with Tamara Talevska.

Yours sincerely,
